SUNDAY, JANUARY 29TH

OUTING

**MONTREAL
UNDERGROUND**

January could be a bitter cold month to photograph outdoors, so Helmut and I with Paul Couture's help discovered an underground paradise in and around Old Montreal Underground. This walking tour will present wonderful photo ops of architecture and street photography.

We will meet at the Square Victoria Metro station, walk to Hotel Intercontinental, Place Jean-Paul Riopelle where we will have permission to photograph art inside the tower. Then on to Palais de Congress, Complexe Guy Favreau, Complexe Desjardins, and then to Place des Arts where the tour will end.

The best way to get to Square Victoria is to take the Metro Orange Line. Place des Arts is on the Green Line.

The most popular lens to bring would be under 70mm; Tripods are preferred.

Starting time is 10:00am

Lunch at 12:00

End at 2:00-3:00pm
