HONOURS AWARDS / 2016 - 2017

In 1954 the late Walter F. Wood ARPA, FPSA established a system of Honours Awards for the Montreal Camera Club.

The purpose of these awards is to reward members not only for photographic proficiency but also for their contribution to the Club on the Executive and through other Club activities. As well, the awards are designed to encourage members to enter national and international photographic competitions and to become active on committees of national and international societies.

A member progresses from the initial *Pictorialist* award to the more difficult advanced stages in the system until he or she reaches the highest level, the *Fellowship*.

Over the years the rules governing these Honours Awards have been modified to meet changing conditions, however the goals remain unchanged. To qualify for the top Honour Awards requires a high degree of photographic and service achievement at the Club as well as participation in photographic activities at the national and international level.
