Winter Outings

Saturday, January 17, 2015

Studio Session

A studio session is planned but at the moment we have no details. Information will be sent out via email when everything is confirmed. Subject to change of venue.

Saturday, February 21, 2015

Rawdon

Come photograph the quaint town of Rawdon. We will visit Dorwin Falls Park to view the spectacular spirit of the falls and the vapours of ice, followed by two wonderful houses of worship: Notre-Dame-de-Kazan Russian Orthodox Church and Saint-Seraphim-de-Sarov Russian Orthodox Church.

Led by: John Zimmerman
Meet: 10:30 a.m. sharp
Place: to be determined
Bring: a tripod, warm clothing, good boots—crampons recommended.

Saturday, March 22, 2015

St. Patrick's Parade

The parade starts at noon but we will meet at 10:30 a.m. at the corner of Fort and Ste-Catherine. Although the parade and the spectators are fun to photograph, sometimes the setup time is when you capture interesting people getting ready for the event. Once the end of parade passes, images of the Bishop Street area partying can be fun but be careful because the crowd can get rough and there is usually a heavy police presence.

Led by: John Zimmerman

Time: 10:30 a.m.

Place: corner Fort and Ste-Catherine

Saturday, April 18, 2015

Cooper's Marsh Conservation Park

This conservation area comprises an interpretation center, two wooden boardwalks across marshes, a few ponds and a rather large creek. The area is partly wooded and there are platforms where ospreys rest and nest when present. The Marsh contains a wide variety of frogs, toads, turtles and fish. Many bird species can be seen during the spring and fall migrations. No entrance fee.

Led by: Claude Belanger

Meet: in the parking lot, located near the main road

Time: 10:30 a.m. sharp

Location: 18045 Cty. Rd. 2, Cornwall, ON K6H 5T2

Cooper's Marsh Conservation Area and Visitor's Centre are located 18 km east of Cornwall on County Road 2 near South Lancaster, and 102 km west of Montreal. From Highway 401, exit 814 onto County Road 34 (Lancaster interchange) then turn south onto County Road #2 and proceed 3 km to the main entrance.

From Highway 401, exit 814 onto County Road 34 (Lancaster interchange) then turn south onto County Road #2 and proceed 3 km to the main entrance. Approx. 1 hour 20 minutes from Montreal <http://www.rca.on.ca/view.php?id=93>

Info: Please remember we are visiting in early Spring—check the weather forecast and dress accordingly. There are restaurants just off the highway (some 3 km from the conservation area proper).
